

Business Analyst

Our Vision

A world where we all wake up inspired to go to work and feel rewarded and appreciated in the workplace. With leaders who take the time to develop and inspire us.

Our values

We believe in developing open, honest and ethical relationships built on integrity, trust and thought leadership.

What you'll be doing:

- Lead online marketing initiatives
- Leverage data to understand the market, identify opportunities, and execute initiatives to drive growth and engagement
- Carry out market research and analysis
- Develop business KPIs to identify trends and track the success of company initiatives
- Drive continuous improvement of business processes, analytics tools, and data quality
- Enjoy the flexibility to work on different types of projects throughout the company's growing initiatives

What we're looking for:

- Confident using data with exceptional analytical and problem-solving skills
- Excellent attention-to-detail combined with a will to learn and adopt new skills
- Self-motivated and able to work independently for long periods of time
- Excellent oral and written communication skills
- Willingness to learn continuously, through training, mentoring, and a strong culture of reading

What we'll offer in return:

- A competitive salary with a potential for real growth
- A number of perks and benefits
- 25 days paid holiday – we care about your wellbeing, so we make sure you have time to fully switch off, rest, and recharge;
- Central London location with plenty of opportunity for flexible working
- A values-led working environment that encourages putting people first, honesty, integrity and trust

If you are looking for a new challenge and develop a variety of skills with an opportunity for real growth in a start-up environment, send your CV to recruitment@3r-strategy.com explaining why you would like to do this role.

3R Strategy is an equal opportunity employer and does not discriminate on any basis.
